

TYPO3.SwiftMailer - Bug # 10306

Status:	Resolved	Priority:	Should have
Author:	Ernesto Baschny	Category:	
Created:	2010-10-17	Assigned To:	Karsten Dambekalns
Updated:	2011-05-06	Due date:	
Subject:	Passing by reference deprecated in PHP 5.3		
Description	<p>We now integrated SwiftMailer API in the v4 core trunk (yea!). To do this, I backported the functions which you have created here (the send() helper in the message class).</p> <p>This uncovered a little bug in getFailedRecipients().</p> <p>See attached patch which solves it in v4.</p>

[+BUGFIX] SwiftMailer: Fix pass-by-ref and wrong getter

A case of pass-by-reference was fixed and the getter for failed recipients now actually returns the failed recipients. send() resets the failed recipients now.

Change-Id: Id8e4b237fd907f10a5e907d1edbef5185665bf18

Fixes: #10306
