Hey raz

We need a bit more info, I applied the colors, but I need to know the base-color of the links, right now I made it the same as visited. What about the list styles, I guess you want the dots to be removed?

#5 - 2008-02-07 19:07 - Robert Lemke

- Assigned To deleted (Rasmus Skjoldan)
- % Done changed from 70 to 100

We just take it as is.
