

## Getting Started - Bug # 12845

<b>Status:</b>	New	<b>Priority:</b>	Must have
<b>Author:</b>	Daniel Brübler	<b>Category:</b>	
<b>Created:</b>	2011-02-07	<b>Assigned To:</b>	
<b>Updated:</b>	2011-06-20	<b>Due date:</b>	
<b>Subject:</b>	broken link in GettingStarted		
<b>Description</b>			
<p>Hi,</p> <p>on page <a href="http://flow3.typo3.org/documentation/tutorials/getting-started/gettingstarted.requirements/">http://flow3.typo3.org/documentation/tutorials/getting-started/gettingstarted.requirements/</a></p> <p>there's a link "setup guides for the most popular platforms" pointing to <a href="http://flow3.typo3.org/documentation/reference/flow3.installingphp53/">http://flow3.typo3.org/documentation/reference/flow3.installingphp53/</a></p> <p>what tells, that the parent page-name "reference" isn't there anymore.</p>			

### History

#### #1 - 2011-06-20 11:03 - Karsten Dambekalns

- Project changed from TYPO3.Flow to Getting Started
- Category deleted (- Documentation -)
