

Testing - Bug # 13007

Status:	New	Priority:	Should have
Author:	Andreas Lappe	Category:	
Created:	2011-02-13	Assigned To:	
Updated:	2011-02-13	Due date:	

Subject: Dotfiles are parsed too.

Description

Using vim as \${EDITOR} I have .file.php.swp files while editing them. If I have them for a testcase, the testrunner tries to parse them and fails.

The attached patch fixes this, so only PHP files are parsed.
