

## flow3.typo3.org - Bug # 166

<b>Status:</b>	Resolved	<b>Priority:</b>	Should have
<b>Author:</b>	Robert Lemke	<b>Category:</b>	HTML / CSS
<b>Created:</b>	2008-02-07	<b>Assigned To:</b>	Karsten Dambekalns
<b>Updated:</b>	2010-10-20	<b>Due date:</b>	

**Subject:** Documentation: Content grows below footer line if images exist

### Description

At <http://flow3.typo3.org/documentation/reference/aop-framework/> the content grows below the footer line:

contentbelowfooter.png

Seems to be a JS issue.

### History

#### #1 - 2008-02-08 12:56 - Karsten Dambekalns

- Assigned To set to Christian Jul Jensen
- Target version deleted (1.0.0)

#### #2 - 2008-03-27 11:15 - Robert Lemke

- Assigned To changed from Christian Jul Jensen to Den Denyer

#### #3 - 2009-07-30 17:44 - Karsten Dambekalns

- Status changed from New to Resolved
- % Done changed from 0 to 100

Solved by setting the height of #content\_1 back to auto after resizing columns.

#### #4 - 2009-07-30 17:47 - Karsten Dambekalns

- Assigned To changed from Den Denyer to Karsten Dambekalns
