| **Subject:** | "Frame1" style is not consistent depending on content | | |

**Description**

Depending on whether the content element is pure text, contains a bullet list or a menu of subpages, there's a background or not for the "Frame 1" style.

This seems to be correct:

**History**

**#1 - 2008-02-07 22:02 - Karsten Dambekalns**

*- Status changed from New to Accepted*

*- Assigned To set to Karsten Dambekalns*

*- % Done changed from 0 to 10*

The grey background is only applied to p tags in frame1 and frame2.

**#2 - 2008-02-07 22:10 - Karsten Dambekalns**

*- % Done changed from 10 to 60*

ul is now handled the same way, fixes the sitemap menus and lists used on some pages.

**#3 - 2008-02-08 10:27 - Karsten Dambekalns**

*- Status changed from Accepted to Resolved*

*- % Done changed from 60 to 100*

Seems to be fine now.
