Care to make a patch, Niels?

I would if I knew how to solve this issue. Unfortunately I'm not that skilled regarding such frame stuff :-)

#3 - 2010-06-04 11:36 - Steffen Gebert

I'd remove the help icon. Is there so much to say about the tree? ;-)

Think this never worked, at least bug was already present in 4.3

The backend code cleanup team will take care of it and try to find a solution.
