History

#1 - 2010-06-17 00:08 - Soren Malling

Browser: Firefox 3.6.3 @ Mac OS X 10.6

#2 - 2010-06-17 00:14 - Chris topher

I can also reproduce this on Windows with FF 3.6.3 and IE 8.

#3 - 2010-06-17 09:14 - Steffen Gebert

TCEforms changes will be reverted, so this has to be fixed for 4.5, not 4.4

#4 - 2010-06-17 13:42 - Chris topher

The problem was introduced with the changes in #22901. The problematic part is there in tceforms_revert.patch.

#5 - 2010-06-21 15:16 - Chris topher

Fixed by reverting the problematic part in rev. 7947.
