Sprint Focus:					
Subject:	BE Login Screen: Text "Log in" on Login Button is displaced when using IE7 or IE6				
Description					
<p>In the Backend Login screen the text "Log in" in the login button is displaced: While it should be centered, it stands at the left site of the button, which does not look nicely.</p> <p>If you want to see a high quality screenshot of the problem, see below. Made with Microsoft Paint.</p> <p>(issue imported from #M15123)</p>
