Sprint Focus:			
Subject:	Install Tool, "All Configuration": Description of settings should allow HTML markup for readability		
Description			
In the Install Tool, "All Configuration":			
Sometimes It is difficult to describe an option in "one single paragraph". Often you would want to have a list of choices or have some code-snippet (.htaccess entries) properly marked up so that the admin can more easily grasp what the setting does.			
(issue imported from #M15504)
