# History

# #1 - 2011-04-15 19:43 - Karsten Dambekalns

- Category set to Resource

- Target version set to 1.0 beta 1

# #2 - 2011-04-27 13:51 - Karsten Dambekalns

- Status changed from New to Accepted
- Assigned To set to Karsten Dambekalns

### #3 - 2011-04-27 13:51 - Karsten Dambekalns

- Category changed from Resource to Persistence

#### #4 - 2011-05-19 11:54 - Sebastian Kurfuerst

- Status changed from Accepted to Under Review

- Assigned To changed from Karsten Dambekalns to Sebastian Kurfuerst

- % Done changed from 0 to 100

### #5 - 2011-05-19 11:55 - Mr. Hudson

Patch set 2 of change lbc6970524967d18fdab84639f7d53ddcf8c27c00 has been pushed to the review server. It is available at <a href="http://review.typo3.org/2222">http://review.typo3.org/2222</a>

#### #6 - 2011-05-19 16:44 - Bastian Waidelich

Note: I think, the correct approach is, to always resend the uploaded file (e.g. it's resource pointer hash) on submit even if it was not changed. Just like other form fields.

This way you can reset the value to an empty string on order to remove an uploaded resource. Needs to be discussed though.

### #7 - 2011-05-20 09:35 - Sebastian Kurfuerst

- Status changed from Under Review to Resolved

Applied in changeset commit:3fd0ed84a2aa1162cac9af664565add23a280b67.
