

TYPO3.Flow - Bug # 25988

Status:	New	Priority:	Should have
Author:	Karsten Dambekalns	Category:	Object
Created:	2011-04-15	Assigned To:	
Updated:	2011-10-21	Due date:	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version: FLOW3 1.0.0			
Subject:	Useless proxies are built for some classes		
Description			
<p>Consider the proxies for the Package classes, they contain no code except for some checks on constructor arguments. In fact, they are only built at all because of that checking code.</p> <p>The attached patch fixes this, but can probably be optimized (do we ever need the check)?</p>			

History

#1 - 2011-04-15 15:15 - Karsten Dambekalns

- File *0001-TASK-Skip-argument-check-in-proxy-constructor-if-unu.patch* added

#2 - 2011-10-21 13:20 - Karsten Dambekalns

- Affected Flow version set to *FLOW3 1.0.0*
