

TYPO3.Flow - Feature # 26132

Status:	Closed	Priority:	Should have
Author:	Regine Rosewich	Category:	
Created:	2011-04-19	Assigned To:	
Updated:	2012-03-14	Due date:	
PHP Version:			
Has patch:	No		
Complexity:			
Subject:	FloatToFloatConverter missing in F3\Property\TypeConverter		
Description			
When trying to updat a table row with float values using the ExtDirect Interface FLOW3 throws an error:			
Exception while property mapping at property path "gewicht":No converter found which can be used to convert from "float" to "float"			
Copying the existing IntegerToIntegerConverter Class to a FloatToFloatConverter Class and changing this Class correspondingly solves the problem.
