

TYPO3 Flow Base Distribution - Bug # 27527

Status:	Resolved	Priority:	Should have
Author:	Michael Klapper	Category:	
Created:	2011-06-18	Assigned To:	Karsten Dambekalns
Updated:	2011-07-06	Due date:	

Affected Flow version:

Subject: Unable to run tests for F3\FLOW3\Tests\Unit\Security\Authorization\AccessDecisionVoterManagerTest

Description

When i use the testing package to run the tests on the web i got the following Fatal error.

```
F3 \ FLOW3 \ Tests \ Unit \ Security \ Authorization \ AccessDecisionVoterManagerTest
```

```
Fatal error: Call to a member function isRegistered() on a non-object in
```

```
/var/www/project/Data/Temporary/Development/Cache/Code/FLOW3_Object_Classes/F3_FLOW3_Security_Authorization_AccessDecisionVoterManager_Original.php on line 180
```
