Testing - Bug # 2757

Status:	Resolved	**Priority:**	Must have
Author:	Malte Jansen	**Category:**	
Created:	2009-03-04	**Assigned To:**	Bastian Waidelich
Updated:	2010-10-20	**Due date:**	

Subject:	ClassFilter is not working on windows

Description

Comparing the ClassName with the FileName does not work, because of non UnixStyledPaths in the

Class: **AbstractTestRunner**
Function: **readDirectories($testcaseFilenames, $testsDirectoryIterator)**
Just transform the Path to UnixStyled before the check.
$fileNameWithPath = \F3\FLOW3\Utility\Files::getUnixStylePath($testsDirectoryIterator->getPathname());
if (preg_match('/\/' . str_replace('\\', '\/', $this->testcaseClassName) . '\.php/', $fileNameWithPath) === 1) {

Revision 81a6a511 - 2009-04-17 14:41 - Bastian Waidelich

Testing: Replace backslashes by forward slashes in paths returned by directory iterator in order to make the test class filter work on windows.
Resolves #2757
Testing: The checkbox "run Code Coverage Analysis" in web-based testrunner is shown even if Xdebug is not available but it is disabled. A tooltip makes clear that Xdebug is required. Resolves #3110

History
