

TYPO3.Fluid - Bug # 28283

Status:	Resolved	Priority:	Should have
Author:	Bastian Waidelich	Category:	Widgets
Created:	2011-07-18	Assigned To:	Bastian Waidelich
Updated:	2014-12-16	Due date:	
Has patch:	No		
Affected Flow version:	(any)		
Subject:	Paginate Widget does not highlight current page		
Description	<p>The line</p> <pre>\$pages[] = array('number' => \$i, 'isCurrent' => (\$i === \$this->currentPage));</pre> <p>PaginateController::buildPagination() fails to set 'isCurrent' correctly for certain pages because \$i is of type float and thus not (type safe) equal to \$this->currentPage.</p>

[BUGFIX] Paginate Widget does not highlight current page

The "isCurrent" property of a page is not set correctly for certain pages because the PaginationController fails to cast values to integers.

This change fixes this.

Change-Id: I9fda9b95be1f21df56aed0d7f5356d544aa86f85

Resolves: #28283

Revision dee12aa6 - 2014-05-14 19:29 - Bastian Waidelich

[BUGFIX] Paginate Widget: Correctly highlight current page

With #28283 the current page is correctly highlighted most of the time. But if a non-existing page is requested (for example by manually setting the currentPage-argument to a number higher than the number of total pages) the last page should be highlighted, but is not.

That is fixed with this change by making sure that ``numberOfPages`` is always an integer.

History

#1 - 2011-07-18 10:14 - Bastian Waidelich

- Subject changed from *Paginate Widget fails to cast current page to integer* to *Paginate Widget does not highlight current page*

#2 - 2011-07-18 10:18 - Mr. Hudson

Patch set 1 of change I9fda9b95be1f21df56aed0d7f5356d544aa86f85 has been pushed to the review server.

It is available at <http://review.typo3.org/3395>

#3 - 2011-07-19 20:28 - Bastian Waidelich

- Status changed from *Accepted* to *Under Review*

#4 - 2011-07-21 21:05 - Bastian Waidelich

- Status changed from *Under Review* to *Resolved*

- % Done changed from 0 to 100

Applied in changeset commit:fca5d265f7797ae156e729258e20183daf246089.

#5 - 2014-02-17 08:55 - Georg Tiefenbrunn

`$this->numberOfPages = ceil(...);` in `initializeAction()` returns a float and should also be converted to integer. If there are 10 pages and you manually set 'currentPage' to 11+, 'isCurrent' is still incorrectly set.

#6 - 2014-02-17 09:11 - Bastian Waidelich

- Status changed from Resolved to Accepted
- Affected Flow version set to (any)
