Subject:	Add custom autoloader for phpCR package		
Description	<p>The phpCR package should supply a custom autoloader for the interfaces and exceptions, to get rid of source:Packages/phpCR/Resources/PHP/phpCR_Interfaces.php and source:Packages/phpCR/Resources/PHP/phpCR_Exceptions.php</p> <p>Otherwise we have to adapt those files in the future and the sheer number of includes seems error-prone.</p>
