TYPO3.Flow - Bug # 30425

Status:	New	**Priority:**	Should have
Author:	Christopher Hlubek	**Category:**	Security
Created:	2011-09-29	**Assigned To:**	
Updated:	2011-10-21	**Due date:**	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version: FLOW3 1.0.0			
Subject:	New methods are not updated in Policies during Development		
Description			

Adding a new method (e.g. inside a Controller) that is guarded by a Policy (such that a PolicyEnforcementAspect is applied to the method) in Development does always trigger an "Access denied" because the method is not known in the Policy cache.

This should work for development.

History

#1 - 2011-09-29 13:08 - Christopher Hlubek

- Subject changed from New methods are not included in Policies in Development to New methods are not updated in Policies during Development

#2 - 2011-10-21 13:20 - Karsten Dambekalns

- Affected Flow version set to FLOW3 1.0.0
