| **Description** | | | |

See attached PDF file.

## History

**#1 - 2008-02-14 18:57 - Karsten Dambekalns**

I cannot reproduce the exception, neither with r490 nor after updating to r492. This may be due to the local changes I made towards cleaning up the unit tests for TYPO3CR. I'll update this issue as soon as those are in Subversion.
