Subject:	Workspace Preview, splitted view - distinguish sources

Description

In the splitted workspace preview (vertical/horizontal) you cannot see, which side corresponds to which source. In the previous preview a red and green bar indicates the two sources.

Some indication would be useful even for advanced users.

History

#1 - 2012-01-22 17:24 - Tolleiv Nietsch

- Project changed from Workspaces & Versioning to TYPO3 CMS Usability Team

#2 - 2012-01-22 19:54 - Jens Hoffmann

- Category set to Usability

- Status changed from New to Accepted

- Assigned To set to Jens Hoffmann

Agreed, a clear indication is missing.

We will provide a layout / concept for that.

Greez Jens
