

TYPO3.Neos - Bug # 32031

Status:	Closed	Priority:	Should have
Author:	Sebastian Kurfuerst	Category:	UI
Created:	2011-11-23	Assigned To:	Sebastian Kurfuerst
Updated:	2014-10-02	Due date:	
Subject:	Fix CSS Stylings of icons in "content" module		
Description			
<p>When being in content module and selecting a content element, several icons are displayed around it (to add new elements, cut/paste the element).</p> <p>In the FLOW3 Org website, these icons are completely broken // misaligned. This can be fixed by applying some more restrictive / overriding CSS styles.</p>			

History

#1 - 2013-04-10 21:04 - Aske Ertmann

- Status changed from New to Needs Feedback
- Assigned To set to Sebastian Kurfuerst

Is this still an issue?

#2 - 2014-10-02 11:16 - Sebastian Helzle

- Status changed from Needs Feedback to Closed

Could not be reproduced in Version 1.1.

If this is still an issue for you open a new ticket at <https://jira.typo3.org/>
