Updated:	2011-12-21	**Due date:**	

PHP Version:	
Has patch:	No
Complexity:	
Subject:	Make target in XLIFF optional if source language equals target language

Description

When an XLIFF file does not contain target elements, the source should be used if the source-language of the file equals the target language of translation.

Revision 957be681 - 2011-12-06 16:53 - Karsten Dambekalns

[FEATURE] Make target in XLIFF optional if source equals target language

This allows for less duplication when using XLIFF as a message catalog
when the target language is the file's source language.
