TYPO3.Flow - Bug # 32425

Status:	Accepted	Priority:	Must have
Author:	Marco Huber	Category:	Security
Created:	2011-12-09	Assigned To:	Karsten Dambekalns
Updated:	2012-06-28	Due date:	

PHP Version:	
Has patch:	Yes
Complexity:	
Affected Flow version:	(any)
Subject:	IpAddressRange methods not completly implemented

Description

The method matchRequest in \TYPO3\FLOW3\Security\RequestPattern\IpAddressRange returns always false and doesn't check the IP-Address.

In the attachet file I used the methods from the good old t3lib_div...

Should I push the patch to gerrit?

History

#1 - 2012-06-28 10:23 - Karsten Dambekalns

- Category set to Security

- Status changed from New to Accepted
