flow3.typo3.org - Bug # 325

Status:	Resolved	**Priority:**	Should have
Author:	Karsten Dambekalns	**Category:**	HTML / CSS
Created:	2008-02-19	**Assigned To:**	Karsten Dambekalns
Updated:	2010-10-20	**Due date:**	
Subject:	Code-listings run into sidebar blocks		

Description

As can be seen in the attached screenshot the code listings are as wide as the content area, even if there is a sidebar. If possible, this should be fixed...

History

#1 - 2008-03-27 11:14 - Robert Lemke

- Assigned To changed from Christian Jul Jensen to Den Denyer

#2 - 2009-07-30 17:49 - Karsten Dambekalns

- Status changed from New to Resolved

- Assigned To changed from Den Denyer to Karsten Dambekalns

- % Done changed from 0 to 100

Solved now.
