TYPO3.Flow - Feature # 32631

Status:	Resolved	**Priority:**	Should have
Author:	Karsten Dambekalns	**Category:**	Persistence
Created:	2011-12-16	**Assigned To:**	Karsten Dambekalns
Updated:	2012-01-18	**Due date:**	
PHP Version:			
Has patch:	No		
Complexity:			
Subject:	Provide command to mark all migrations as executed		

Description

When setting up a fresh instance of FLOW3 it is not really needed to migrate the DB through all steps. A simple create is a lot faster.
To easily mark the DB as fully migrated a new command is needed:

    ./flow3 doctrine:migrationversion all --add

The "all" will then actas on all available migrations.

[FEATURE] Command to mark all migrations as executed

It is now possible to mark all migrations as (not) executed with
 ./flow3 doctrine:migrationversion all --delete
 ./flow3 doctrine:migrationversion all --add
