TYPO3.Flow - Bug # 33698

Status:	Resolved	**Priority:**	Must have
Author:	Sebastian Kurfuerst	**Category:**	Reflection
Created:	2012-02-06	**Assigned To:**	Sebastian Kurfuerst
Updated:	2012-03-01	**Due date:**	

PHP Version:	
Has patch:	No
Complexity:	
Affected Flow version:	FLOW3 1.0.0
Subject:	ObjectAccess::setProperty must work with numeric indexes

Description

When trying to set a value to an ArrayAccess object with a numeric index, the ObjectAccess::setProperty() method throws an exception because $propertyName must be a string.

However, we should allow integers there as well.

This changeset is needed for the refactored TYPO3 Phoenix Rendering.

[BUGFIX] (Reflection): ObjectAccess::setProperty must work with numeric indexes

When trying to set a value to an ArrayAccess object with a numeric index, the
ObjectAccess::setProperty() method throws an exception because $propertyName
must be a string.

However, we should allow integers there as well.

Resolves: #33698
Releases: 1.1
