

TYPO3.Flow - Bug # 33719

Status:	Closed	Priority:	Should have
Author:	Rens Admiraal	Category:	Package
Created:	2012-02-06	Assigned To:	Rens Admiraal
Updated:	2012-05-07	Due date:	
PHP Version:			
Has patch:	No		
Complexity:			
Affected Flow version: Git master			
Subject:	.Shortcuts symlinks use absolute path		
Description			
<p>The symlinks in the .Shortcuts folder use absolute paths. This is an issue in chrooted environments where the path to the document root can be a different one then the path in the webserver process.</p> <p>This causes the symlinks to be working in only one situation: during CLI execution or during a HTTP request, depending on which generated the symlink.</p>

Revision 1a688df6 - 2012-05-29 11:08 - Rens Admiraal

[BUGFIX] Save relative package path in PackageStates.php

Using absolute paths in the PackageStates.php causes problems in a chroot environment where the absolute path is different in CLI then in the HTTPD process.

Also relative paths allow to put PackageStates.php under version control to maintain a specific state even when paths differ on development and production systems.

The symlinks in the Web/_Resources/Static/Packages folder should also follow relative pathnames for an chrooted installation. Otherwise a cache warmup on CLI will lead to non-existing pathnames.

The usage of relative symlink creation should be done in general on non Windows systems. This also regards the PrivateResourcesPublishingAspect class, which uses absolute symlinks as well.

The unit test for Utilitys/Files.php still fails. I'd assume directory symlink removal is done by unlink() but it has to be done by rmdir() even if it is a symlink.

#7 - 2012-02-09 20:19 - Bastian Waidelich

- Project changed from TYPO3 Flow Base Distribution to TYPO3.Flow

#8 - 2012-02-09 20:20 - Bastian Waidelich

- Subject changed from *.Shortcuts sumlinks use absolute path* to *.Shortcuts symlinks use absolute path*
- Category set to *Package*
- Assigned To set to *Rens Admiraal*
- Target version set to *1.1*
- Has patch set to *No*

#9 - 2012-02-15 22:47 - Gerrit Code Review

Patch set 6 for branch **master** has been pushed to the review server.
It is available at <http://review.typo3.org/8868>

#10 - 2012-02-19 21:15 - Gerrit Code Review

Patch set 7 for branch **master** has been pushed to the review server.
It is available at <http://review.typo3.org/8868>

#11 - 2012-02-19 21:18 - Gerrit Code Review

Patch set 8 for branch **master** has been pushed to the review server.
