Subject:	Media Content Element is much too complicated to use		

Description

Please have a look at my screenshot with some comments/proposal. Could you please come up with suggestions that we may then implement?

Thanks.

I can only second that. But just FYI, the media element looks differently in 4.7. Is it realistic to change anything of that in < 4.7?

#2 - 2012-07-06 14:05 - Jens Hoffmann

- Status changed from New to Needs Feedback

Could someone add the new Version as Screenshot here?
