- Status changed from *New* to *Needs Feedback*

I think this does not need a single argument, you can do that with the "additionalAttributes" argument.

#2 - 2012-11-14 08:32 - Adrian Förder

- Status changed from *Needs Feedback* to *Rejected*

- Priority changed from *Should have* to *Won't have this time*

will reject this since it still can be done like Christian said.
