Subject:	Empty image title results in exception		
Description			
SQLSTATE ²³⁰⁰⁰ : Integrity constraint violation: 1048 Column 'title' cannot be null			
This has been introduced by: http://git.typo3.org/FLOW3/Packages/TYPO3.Media.git?a=commit;h=6e958f2f3b5113aefcd22d871f87a6f74ef8361a			
Possible solution:			
1. Set the default value of the title to "			
or			
2. Annotate with "to be null"			
or			
3. Make the image title mandatory			
I would go for 1 for now.

[BUGFIX] Correct Image title's default value according to Database

With 6e958f2f3b5113aefcd22d871f87a6f74ef8361a (#35059) the database fields are set to not being NULLable, so the title property should be an empty string per default, not NULL.
