TYPO3.Flow - Feature # 37188

Status:	Closed	**Priority:**	Should have
Author:	Bastian Waidelich	**Category:**	Cli
Created:	2012-05-15	**Assigned To:**	Bastian Waidelich
Updated:	2012-11-16	**Due date:**	

PHP Version:	
Has patch:	No
Complexity:	
Subject:	Global verbosity flags for CLI Commands

Description

It should be possible to define the verbosity level of CLI Commands by specifying **globally supported** flags like --quiet and --verbose.
