

TYPO3.Flow - Bug # 3735

Status:	Resolved	Priority:	Must have
Author:	Karsten Dambekalns	Category:	Utility
Created:	2009-06-23	Assigned To:	Karsten Dambekalns
Updated:	2010-10-20	Due date:	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version:			
Subject:	randomizeArrayOrder() does not randomize...		
Description			
randomizeArrayOrder() (added with r114) uses array_rand(), which does not randomize if as many "random" keys are requested as the source array contains. So, it's broken plus it is useless - use shuffle() instead.
