- Status changed from Accepted to Needs Feedback

Hey Marc,

sorry, that is a long time ago.. But can you recall what this was about exactly?

#3 - 2013-10-22 15:08 - Marc Neuhaus

hmm, i think it was about not "finishing" the request through "setDispatched" in the FormRuntime.

i'm not even sure anymore why this bothered me ^^

Now that you mention it - I think it was related to the Expose or the debug toolbar.. Anyways, I'll have a look asap

Yea! now i remember.

I used the Signal emitted by setDispatsched to collect dispatched Request for the DebugToolbar :)

- Status changed from Accepted to New

- Assigned To deleted (Bastian Waidelich)

Sorry, I didn't get around digging into that one.. I unassign myself for now so no-one feels blocked to push a patch. Might be the issue is resolved in the latest version
