

TYPO3.TYPO3CR - Bug # 37958

Status:	Resolved	Priority:	Should have
Author:	Karsten Dambekalns	Category:	Node handling
Created:	2012-06-12	Assigned To:	Christian Müller
Updated:	2012-07-13	Due date:	

Subject: Authentication no longer triggered for inaccessible node

Description

Until now we could redirect to the "My T3CON" page from the typo3.org SSO login and the user would be authenticated. This does not work any longer since this change:

```
e6aac075332b526e7fde5e22ebd370238d43c99d
commit e6aac075332b526e7fde5e22ebd370238d43c99d
Author: Christian Müller <christian@kitsunet.de>
Date: Tue May 22 18:03:52 2012 +0200
```

[BUGFIX] Nodes with access roles should behave as expected

Change-Id: Ib21f641ed15164b15a5d48397511234ad503d59c

```
diff --git a/Classes/Domain/Model/Node.php b/Classes/Domain/Model/Node.php
index 3147220..a445eda 100644
--- a/Classes/Domain/Model/Node.php
+++ b/Classes/Domain/Model/Node.php
@@ -972,7 +972,7 @@ class Node implements NodeInterface {
        return NULL;
    }

-    if (!$this->isAccessible() && !$this->nodeRepository->getContext()->isInaccessibleContentShown()) {
+    if (!$node->isAccessible() && !$this->nodeRepository->getContext()->isInaccessibleContentShown()) {
        return NULL;
    }
    return $node;
```

Now instead of being authenticated a 404 is returned, as the node is not "found" in the first place.

- Status changed from New to Accepted
- Assigned To set to Christian Müller

Probably needs adaptations in the RouteParHandler, I will take care.

#2 - 2012-07-13 16:28 - Karsten Dambekalns

- Status changed from Accepted to Needs Feedback

That's solved, no?
