

TYPO3.Neos - Bug # 38914

Status:	Resolved	Priority:	Should have
Author:	Christian Müller	Category:	
Created:	2012-07-12	Assigned To:	Christian Müller
Updated:	2013-10-04	Due date:	
Subject:	Default Plugin Namespace should not default to be always typo3_typo3_typoscript_plugin		
Description	As Plugins no longer extend the Typoscript Plugin base class the default namespace now is always typo3_typo3_typoscript_plugin which is quite useless, I guess we can create a better default from the plugin settings given in Typoscript.		

History

#1 - 2012-07-13 16:48 - Karsten Dambekalns

- Project changed from Base Distribution to TYPO3.Neos

#2 - 2012-07-13 16:48 - Karsten Dambekalns
