Tags:

Subject: typo3conf/localconf.php has been replaced

Description

Beginning with TYPO3 6.0, the file typo3conf/localconf.php is no longer used.

Check all manuals, if they mention localconf.php and if so, update them to speak of LocalConfiguration.php and maybe AdditionalConfiguration.php. Leave the reference to localconf.php in brackets behind the new info.

See #38562.
