Sprint Focus:			
Subject:	error reporting broken?		
Description			
Travis now spits out db errors. I guess the db errors were there before, but were not outputted by travis. While we need to fix the db changes too, this behavior is a hint that the error reporting and / or the exception handlers are broken. Needs to be investigated.			

History

#1 - 2012-08-24 18:19 - Christian Kuhn

- Parent task set to #40095

#2 - 2012-08-25 11:46 - Steffen Gebert

- Status changed from New to Accepted

#3 - 2012-09-09 17:52 - Christian Kuhn

- Status changed from Accepted to Closed

error reporting works, not an error.

#4 - 2012-09-09 17:52 - Christian Kuhn

- % Done changed from 0 to 100
