- Target version set to Sprint 10 (1.0 TP1)
- Position deleted (1)
- Position set to 4

#2 - 2012-09-04 12:12 - Robert Lemke

Please read the notes in story #40587 first.

In order to delete a page using the page tree (Content Editing View):

- select the page to delete
- click the trash bin icon in the action toolbar on top of the page tree
- confirm a "Cancel / Delete" dialog

The Cancel/Delete dialog should be modal. It asks if the page and all sub pages (if any) should be deleted and mention the page title.

#3 - 2012-09-04 12:12 - Robert Lemke
