Revision cdcc6733 - 2009-10-05 12:11 - Karsten Dambekalns

[+FEATURE] ExtJS: Updated ExtJS to 3.0.0, resolves #4156. Two Fluid view helpers are now included that allow easy ExtJS inclusion, see the (new) manual for details. To make migration from ExtJS 2 easier, the ux classes from the ExtJS distribution are included, as well as a gray theme.
