TYPO3 Flow Base Distribution - Task # 42168

Status:	Closed	**Priority:**	Should have
Author:	Rens Admiraal	**Category:**	- Documentation -
Created:	2012-10-19	**Assigned To:**	Rens Admiraal
Updated:	2012-10-19	**Due date:**	
Subject:	Remove exception for throwing exceptions in oneliners		
Description			

We allowed using a throw statement in a oneline if statement like:

    if (TRUE) throw new \Exception();

We don't allow this anymore, so the exception should be removed. Everything should now be wrapped in curly braces.

[TASK] Remove oneline exception for throw statements

Removes the exception for throwing exceptions in oneliners, which is
not allowed anymore.
