Has patch:			
Complexity:			
Subject:	Implement CLI controller for Cache Manager		
Description			

The ./flow3 bash script already supports a command "./flow3 cache flush", however this is not yet implemented as a controller for the Cache Manager.

Associated revisions

Revision 42927d4e - 2009-08-10 18:00 - Robert Lemke

[+FEATURE] FLOW3 (Cache): Implemented a very basic controller for the cache manager which at least allows for flushing all caches in most, but not all, situations (if the code cache contains code causing fatal errors, this method unfortunately doesn't work). Resolves #4221
