Subject:	Image with text content type cannot be deleted		
Description	<p>Using TYPO3-Neos-1.0.0-alpha1, if you add an image with text content type into a section, you don't upload an image and try to delete this content the attached error appear and the default image with the text "Enter text here" appear in the front end. The only solution I found now is to hide that record.</p>
