Has patch:		-		
Subject:	Putting form fields in a partial causes err	or		
Description				
You often have	the same form-fields in a new-template like in an	edit-template. So I wo	uld like to put them	into a partial which is used
in the new-form	and in the edit-form.			
The form-tag its	elf would stay in the different templates.			
So a partial cou	ld look like this:			
<label for="t</td><td>itel">Titel/Tätigkeit:</label> 				
	oox property="titel" size="70" id="titel" /> 			
<label for="p</td><td>personentage">Personentage:</label> 				
<f:form.textb< td=""><td>oox property="personentage" size="5" id="persone</td><td>entage" /> </td><td></td><td></td></f:form.textb<>	oox property="personentage" size="5" id="persone	entage" /> 		
Being included I	like this:			
	nod="post" action="createOhneProjekt" object="{n	ewAuftrag}" name="n	ewAuftrag">	
<f:form.hi< td=""><td>dden name="kunde" value="{kunde}" /></td><td></td><td></td><td></td></f:form.hi<>	dden name="kunde" value="{kunde}" />			
<f:rend< td=""><td>er partial="auftragNewEditFormPart" arguments=</td><td>'{newAuftrag: newAuf</td><td>trag}"/></td><td></td></f:rend<>	er partial="auftragNewEditFormPart" arguments=	'{newAuftrag: newAuf	trag}"/>	
<f:form.su< td=""><td>ıbmit value="Auftrag Anlegen" /></td><td></td><td></td><td></td></f:form.su<>	ıbmit value="Auftrag Anlegen" />			
This results to the	ne exception: #1243325768: No value found for	key "F3\Fluid\ViewH	elpers∖FormViewH	elper->formName''

Revision beaa7a25 - 2010-06-18 11:11 - Sebastian Kurfuerst

[+BUGFIX] Fluid (Core): Putting form fields in partial now works as expected. Resolves #4277.

History

#1 - 2009-08-31 15:29 - Sebastian Kurfuerst

- File Fluid-4277.patch added
- Status changed from New to Needs Feedback

Please check if the attached patch solves the issue.

#2 - 2009-09-14 19:57 - Irene Höppner

It works :-))

thx!

#3 - 2009-09-15 19:33 - Sebastian Kurfuerst

- Category set to ViewHelpers
- Status changed from Needs Feedback to Accepted
- Assigned To set to Sebastian Kurfuerst
- Priority changed from Should have to Must have

I'll fix this.

#4 - 2010-04-08 15:44 - Sebastian Kurfuerst

[mustfixthis] until book release

#5 - 2010-04-09 20:56 - Peter Niederlag

just ran into this one as well ...

#6 - 2010-06-18 10:16 - Sebastian Kurfuerst

- Due date set to 2010-06-18

- Start date changed from 2009-08-20 to 2010-06-18

create v5 selenium test

#7 - 2010-06-18 11:20 - Sebastian Kurfuerst

- Status changed from Accepted to Resolved
- % Done changed from 0 to 100

commmitted in r4595 for v5, and r2359 in v4.
