

TYPO3.Surf - Bug # 43125

Status:	New	Priority:	Should have
Author:	Cedric Ziel	Category:	
Created:	2012-11-20	Assigned To:	
Updated:	2012-11-20	Due date:	
Subject:	Adjust typo3.surf:typo3:flow:unittest Task to use build		
Description			
<p>For now, UnitTestTask looks like:</p>			
<pre>\$this->shell->executeOrSimulate('cd ' . \$targetPath . ' && phpunit -c Build/Common/PhpUnit/UnitTests.xml', \$node, \$deployment);</pre>			
<p>According to the changes in buildessentials, this should be:</p>			
<pre>\$this->shell->executeOrSimulate('cd ' . \$targetPath . ' && phpunit -c Build/buildessentials/PhpUnit/UnitTests.xml', \$node, \$deployment);</pre>			
<p>Right?</p>

Somehow, the title of the issue was cropped... I meant ..to use buildessentials :-)
