

TYPO3.Flow - Bug # 4407

Status:	Resolved	Priority:	Should have
Author:	Robert Lemke	Category:	Cache
Created:	2009-08-31	Assigned To:	Robert Lemke
Updated:	2011-04-15	Due date:	
PHP Version:			
Has patch:			
Complexity:			
Affected Flow version:			
Subject:	flow3 script cannot flush caches		
Description			
When trying to flush all caches with the flow3 command line script, FLOW3 does instead of flushing the caches output an error message:			
404 Not Found			
No controller could be resolved which would match your request.			

History

#1 - 2009-09-04 11:45 - Karsten Dambekalns

By now the caches for all contexts are cleared, **but** only for the CLI SAPI, Thus this is still pending and there isn't a "quick fix".

#2 - 2009-09-07 09:43 - Robert Lemke

- Target version deleted (1.0 alpha 4)

#3 - 2011-04-15 21:58 - Karsten Dambekalns

- Status changed from Accepted to Resolved

- Target version set to 1.0 beta 1

- % Done changed from 0 to 100

With the new command controller flushing caches works.
