

TYPO3.TYPO3CR - Feature # 44072

Status:	Rejected	Priority:	Should have
Author:	Aske Ertmann	Category:	Query handling
Created:	2012-12-17	Assigned To:	Aske Ertmann
Updated:	2014-06-16	Due date:	
Subject:	Add content type filtering to the node repository's method findOnPath		
Description			
<p>It would be nice to have a way of filtering which kinds of nodes findOnPath returned so it would happen in the query like the and not have to processed afterwards. It would make it easier to find a specific kind of node on a given path, since the logic is quite complex with all the subtypes etc.</p>			

History

#1 - 2012-12-17 21:35 - Gerrit Code Review

Patch set 7 for branch **master** has been pushed to the review server.

It is available at <https://review.typo3.org/2770>

#2 - 2012-12-17 21:43 - Aske Ertmann
