Subject:	processor_crop fails cropping strings with HTML-tags or -entities properly		
Description			
<p>processor_crop should close cropped tags like</p> <pre>Kasper Skår...</pre> <p>and should not crop entities like</p> <pre>Kasper Sk&aring;rh&oslash;j</pre> <p>to avoid invalid and faulty FE-output. You find appropriate test cases attached.</p> <p>-Jochen</p>
