# Core - Bug # 46389

| | | | |
|---|---|---|---|
| **Status:** | Accepted | **Priority:** | Should have |
| **Author:** | Oliver Hader | **Category:** | Backend API |
| **Created:** | 2013-03-17 | **Assigned To:** | Oliver Hader |
| **Updated:** | 2015-05-11 | **Due date:** | |

| | |
|---|---|
| **TYPO3 Version:** | 4.5 |
| **PHP Version:** | |
| **Complexity:** | nightmare |
| **Is Regression:** | No |
| **Sprint Focus:** | |
| **Subject:** | Faulty Workspace Placeholders |

**Description**

Several constellations of using placeholders are faulty in the TYPO3 Workspace concept.
Besides that combined actions are creating independent placeholders, e.g. move a record, then delete it or create a new record and move it.
This issue is a collection issue to track finding, available patches and finally transform that into a bigger context and solution.

**Subtasks:**

| | |
|---|---|
| Bug # 39383: Cannot delete record moved in draft | **Under Review** |
| Bug # 38705: tslib_menu::makeMenu - Move placeholder are displayed in navigation during... | **Resolved** |
