TYPO3.ElasticSearch - Bug # 47093

Status:	Resolved	**Priority:**	Must have
Author:	rottenrice no-lastname-given	**Category:**	
Created:	2013-04-10	**Assigned To:**	Adrian Föder
Updated:	2013-04-30	**Due date:**	
PHP Version:			
Affected Flow version: Flow 2.0.0 beta 1			
Subject:	realtimeIndexing is not working		
Description			

you have not finished the flow3-renaming properly ;)

The condition at TYPO3\ElasticSearch\Package:36 will never return true and thus prepareRealtimeIndexing() is never executed. Just rename typo3.flow3:persistence into typo3.flow:persistence.

btw: great work!
