

TYPO3.ElasticSearch - Bug # 47589

Status:	New	Priority:	Should have
Author:	Dominique Feyer	Category:	
Created:	2013-04-25	Assigned To:	Dominique Feyer
Updated:	2013-05-02	Due date:	
PHP Version:			
Affected Flow version: (any)			
Subject:	Add a basic repository and query support		
Description			
Currently the query on ElasticSearch indexes don't use a repository like API. I propose to add a query object and a basic repository, to offer a more Flow style experience.
